

GUÍA RÁPIDA

Guía rápida + link + prompt base para generar un video con estructura

Esta hoja está diseñada para que puedas entregar la herramienta por WhatsApp o ManyChat y que tu audiencia la use sin fricción.

1 Acceso a la herramienta

LINK DIRECTO

<https://www.waverai.app/Waver-1.0>

RECOMENDACIÓN: "La diferencia no es tenerla. Es usarla hoy."

Envía esta frase junto con el link para empujar ejecución.

2 Prompt base para generar un video

Copia y pega este prompt en tu herramienta/IA de video. Reemplaza lo que está entre corchetes.

GOAL

Create a CREATIVE short-form video (vertical 9:16) that makes people want to try Waver 1.0. Waver 1.0 is FREE. The link must appear on screen and be mentioned once: <https://www.waverai.app/Waver-1.0>

AUDIENCE

[Entrepreneurs / business owners / creators] who want faster content production with better quality.

LANGUAGE

Spanish (neutral Latin American) voiceover — keep the script simple and punchy.

STYLE

- Pattern interrupts (visual + wording) every 3–5 seconds
- Strong storytelling, not a tutorial dump
- Short sentences, zero fluff · Confident, professional tone
- Use specific, practical benefits (time saved, clarity, consistency)

SCRIPT STRUCTURE — DELIVER IN 6 BLOCKS

01	HOOK	0–3s	Attention-grabbing contrast or uncomfortable truth
02	PROBLEM	3–8s	What they struggle with today
03	SHIFT	8–15s	What changes with Waver 1.0 — the 'new way'
04	VALUE	15–35s	3 fast bullet benefits + 1 real-life example for [NICHE]
05	MINI DEMO	35–50s	Show the process in 3 simple steps (on-screen text)
06	CLOSE	50–60s	Recap + CTA: "Comment HERRAMIENTA and I'll send it" + show link
